

Ms Knapp/Ms Prewett

Standard:	Compare maps with data sets (charts, tables, graphs) and /or readings to draw conclusions and make generalizations. Use latitude and longitude to determine location.
Essential Question:	What does it mean to be a global citizen?
Objective:	When should I use absolute directions and when should I use relative directions?
Key Words:	Hemisphere, latitude, longitude, key/legend
Handouts:	Absolute and Relative Map
Warm Up:	*Locate Nairobi, Cairo and Casablanca Using Latitude and Longitude, Hemisphere, and relative location

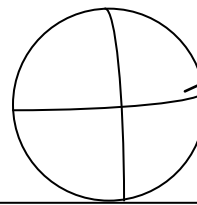

Lesson:

*Absolute and Relative location Map

*Review of objectives of the week

- What does it mean to be a global citizen?
- How do we describe location using absolute location?
- What is the difference between absolute and relative location?
- Why is describing a place using exact terminology more helpful?

Board Notes:

Longitude: ↑↓ Runs up and down and measures East and West

Latitude: ←→ runs horizontal and measures North and South

Make sure you can identify cities/countries using latitude and longitude.

Homework/Agenda:

MAKE SURE YOU KNOW EVERYTHING COVERED LAST WEEK.
